Policy

The college has policies and procedures which guide the application by students for the deferment, cancellation, or voluntary suspension of their course of study at ICAT, and how applications are assessed and processed. The Department of Home Affairs also have rules under which they will agree to vary an international student's visa for the purpose of deferring course commencement or suspending enrolment for a leave of absence. The Department of Home Affairs imposed conditions are very limited and ICAT must abide by these rules when assessing an international student's application for leave in accordance with Standard 13 of the *National Code 2018*, and are also guided by Standards 7, 9 and 10.

The deferral, suspension, and cancellation of the enrolment of an international student may impact the visa as issued by Department of Home Affairs. An international student who is considering deferring, suspending or cancelling their enrolment at ICAT should seek further information from Department of Home Affairs on the implications of such a decision on their student visa via their website www.homeaffairs.gov.au or telephone 131 881. ICAT will report the deferment, suspension, or cancellation of enrolment to the Department of Education via PRISMS in accordance with Standard 13.3 of the *National Code 2018*.

A. Deferral or Delayed Commencement of Study

Activated by Student on Request (Application) prior to Census Date

If a student is unable to commence their course of study at ICAT in the trimester for which they applied for, or they commence their studies as enrolled but decide they wish to delay commencement before Census Date, they may apply to defer their study to a new agreed commencement date. The maximum period for which deferment will be granted is twelve months unless there are compelling circumstances to extend this timeframe. International students should be aware that deferring their study at ICAT may affect their student visa conditions.

Where a student wishes to defer their course of study, the student must lodge an *'Application to Defer the Commencement of Study'* form with the Office of the Registrar outlining the reasons for the request. An *'Application to Defer the Commencement of Study'* form which can be downloaded from the [Forms & Policies](#) section at the bottom of the college website and Handbook section of the

Moodle Student Portal via www.myicat.edu.au. Applications for deferment should be submitted as soon as a student is aware they are unable to commence study but at least ten working days prior to the commencing trimester Census Date. Applications for deferment received after Census Date will not be accepted and students will be directed to submit an '*Application to Suspend Enrolment for a Leave of Absence*' form to suspend their studies. ICAT will report the deferral of enrolment of an international student to the Department of Education via PRISMS in accordance with Standard 13.3 of the *National Code 2018* which may affect their student visa conditions.

ICAT will only consider an application complete and eligible for assessment when all sections have been completed and the form signed ('completed application').

- International students should note that, in accordance with Standard 13.2 of the *National Code 2018*, ICAT will only grant approval for a delayed commencement of studies (deferral) on the grounds of compassionate or compelling circumstances. As such, documentary evidence must be provided to support the compassionate or compelling circumstances as outlined in the completed application. Examples of acceptable documentary evidence under Step 2 of the Procedures.

ICAT will assess and respond to all completed applications within ten working days. A longer time may be required during peak admission and enrolment times, but the process will not exceed fifteen working days.

Where an '*Application to Defer the Commencement of Study*' is successful, ICAT will issue an *Acceptance of Deferment Letter* to notify the decision in writing. It is the responsibility of the student to sign and return the letter acknowledging their acceptance of the new commencement date and any subsequent changes to their enrolment. ICAT will hold the student's place in their course of study, but it is the student's responsibility to observe the enrolment process in line with the dates as stipulated in the *Acceptance of Deferment Letter* (including providing a copy of the new visa for international students). For international students, ICAT will report the deferral to the Department of Education via PRISMS on receipt of their signed acceptance which may affect the student's visa conditions.

Where an '*Application to Defer the Commencement of Study*' is denied, ICAT will issue a *Refusal of Deferment Letter* outlining the reasons for refusal and their right to appeal within twenty working days. Students wishing to appeal the decision should refer to the college **Complaints & Appeals Policy**.

A copy of all applications, decisions and outcomes will be kept on the student file.

Where course credit will change the expected completion date and therefore shorten the expected duration of the course of study for an international student, ICAT will:

- adjust the course duration in the Confirmation of Enrolment (CoE) when course credit is granted at the time of admission ie. prior to the issue of the student visa
- report the change in course duration in PRISMS in accordance with Standard 9 of the *National Code 2018* when course credit is granted after admission and the original CoE

B. Leave of Absence or the Voluntary Suspension of Study

Activated by Student on Request (Application) after Census Date

If a student who has commenced their course of study at ICAT wishes to take a leave of absence from their studies after Census Date, they may apply to voluntarily suspend their enrolment for a period up to twelve months. International students should be aware that suspending their enrolment at ICAT and taking a leave of absence may affect their student visa. ICAT will report the suspension of enrolment to the Department of Education via PRISMS in accordance with Standard 13.3 of the *National Code 2018* which may affect their student visa conditions.

Where a student wishes to take a leave of absence from their course of study at ICAT, the student must lodge an 'Application to Suspend Enrolment for a Leave of Absence' form with the Office of the Registrar outlining the reasons for the request. An 'Application to Suspend Enrolment for a Leave of Absence' form can be downloaded from the [Forms & Policies](#) section at the bottom of the college website and Handbook section of the Moodle Student Portal via www.myicat.edu.au.

Applications for leave should be submitted as soon practical and at least ten days prior to the commencement date of the next trimester. Where the decision to take a leave of absence is made after the trimester commencement date, application should be made prior to Census Date to avoid any academic and/or monetary penalty. For example, in accordance with the college **Tuition Fee Refund Policies**, applications for leave received after Census Date will not be entitled to the refund of tuition fees.

Planned or unplanned leave for three weeks or less of any study period will require an Application for Special Consideration. Any student in these circumstances must consult the Director of Education and read the *Monitoring Academic Progression Policy*, *Special Consideration Policy* as well as complete an *Application for Special Consideration*. Provisions will then be made with consultation from the Director of Education and their unit lecturer to ensure they can continue to academically progress through their unit.

Planned or unplanned leave for four or more weeks of any study period will require the student to take a Leave of Absence or Voluntary Suspension of Study. Any student in these circumstances must consult the Director of Education and read the *Monitoring Academic Progression Policy* as well as complete an *Application to Suspend Enrolment for a Leave of Absence* form. Students who apply for this pre-census will face no academic or financial liability. However, if a student applies after the census date for that study period, they may incur financial and academic penalties. Individual circumstances will be assessed by the Office of the Registrar and the Director of Education.

ICAT will only consider an application complete and eligible for assessment when all sections have been completed and the form signed ('completed application').

- International students should note that, in accordance with Standard 13.2 of the *National Code 2018*, ICAT will only grant approval for a leave of absence (voluntary suspension of study) on the

grounds of compassionate or compelling circumstances. As such, documentary evidence must be provided to support the compassionate or compelling circumstances as outlined in the completed application. Examples of acceptable documentary evidence under Step 2 of the Procedures.

ICAT will assess and respond to all completed applications within ten working days. A longer time may be required during peak admission and enrolment times, but the process will not exceed fifteen working days.

Where an '*Application to Suspend Enrolment for a Leave of Absence*' is successful, ICAT will issue an *Approval of Leave Letter* and hold the student's place in their course of study, but it is the student's responsibility to observe the re-enrolment process in line with the dates as stipulated in the *Approval of Leave Letter*. For international students, ICAT will update the CoE via PRISMS in accordance with the agreed return date and expected completion date. International students must provide a copy of the new visa to the Office of the Registrar before enrolment will be finalised for their return to study at ICAT at the agreed date.

Where an '*Application to Suspend Enrolment for a Leave of Absence*' is denied, the student will be notified in writing of the reasons for the refusal and their right to appeal within twenty working days as per Standard 8.1 of the *National Code 2018*. Students wishing to make an appeal should refer to the college **Complaints & Appeals Policies**. A student's enrolment will be maintained for the duration of the internal appeals process. Where an appeal is made by an international student, ICAT will not report any changes to the Department of Education via PRISMS during this time.

A copy of all applications, decisions, and outcomes, including the new student visa where applicable, will be kept on the student file.

C. Involuntary Suspension of Enrolment for Misconduct

Activated by ICAT

Where a student has displayed or participated in behavior contrary to the **Misconduct Policy** or other college policy or to generally acceptable social or academic standards, ICAT may activate a suspension of study for misconduct.

Where ICAT intends to suspend the enrolment of a student as a result of misconduct, the student will be issued with a *Notice of Intention to Suspend Enrolment* notifying the intention to suspend, the reasons for the decision and the student's right to appeal within twenty working days. ICAT will hold the student's place in their course of study for the period of suspension. It is the student's responsibility to observe the re-enrolment process in line with the dates as stipulated in the *Notice of Intention to Suspend Enrolment*.

ICAT will report the suspension of enrolment of an international student to the Department of Education via PRISMS in accordance with Standard 13.3 of the *National Code 2018*. Students must

provide a copy of the new visa to the Office of the Registrar for the student records before they are re-enrolled for their return to study at the date agreed.

Students wishing to make an appeal against suspension for academic misconduct should refer to the college **Complaints & Appeals Policy**. A student's enrolment will be maintained for the duration of the internal appeals process. Where an appeal is made by an international student, ICAT will not report any changes to the Department of Education via PRISMS during this time.

A copy of all decisions and outcomes, including an international student's new visa where applicable, will be kept on the student file.

D. Cancellation of Enrolment for Misconduct

Activated by ICAT

Where a student has displayed or participated in behavior contrary to the **Misconduct Policy** or other college policy or to generally acceptable social or academic standards, ICAT may activate the cancellation of their enrolment at the college. ICAT may cancel a student's enrolment on the grounds of misconduct which may include one or more, but not limited to, the following circumstances:

- b. Harassment or bullying of students, staff, or other persons
- c. Causing or threatening the safety or health of students, staff, or other persons
- d. Non-payment of tuition fees
- e. Unsatisfactory course progress (international students as per Standard 10 of the National Code 2018)

Where ICAT intends to cancel the enrolment of a student as a result of misconduct, the student will be issued with a *Notice of Intention to Cancel Enrolment* notifying the intention to cancel, the reasons for the decision and the student's right to appeal within twenty working days. ICAT will report the cancellation of enrolment of an international student to the Department of Education via PRISMS in accordance with Standard 13.3 of the *National Code 2018*.

Students wishing to make an appeal against the cancellation of their enrolment for academic misconduct should refer to the college **Complaints & Appeals Policy**. A student's enrolment will be maintained for the duration of the internal appeals process. Where an appeal is made by an international student, ICAT will not report any changes to the Department of Education via PRISMS during this time.

A copy of all decisions and outcomes will be kept on the student file.

E. Cancellation or Withdrawal from a Course

Activated by Student on Request (Application)

If a student is unable to continue their course of study at ICAT, they may apply to withdraw or cancel their enrolment.

When a student wishes to withdraw from their course of study at ICAT, the student must lodge an 'Application to Withdraw or Cancel Enrolment' form with the Office of the Registrar outlining the reasons for the request. An 'Application to Withdraw or Cancel Enrolment' form can be downloaded from the [Forms & Policies](#) section at the bottom of the college website and Handbook section of the Moodle Student Portal via www.myicat.edu.au.

Applications to withdraw or cancel enrolment should be submitted prior to Census Date to avoid any academic and/or monetary penalty. For example, in accordance with the college tuition fee refund policies, applications to withdraw received after Census Date will not be entitled to the refund of fees. Students wishing to withdraw or cancel their enrolment should refer to the **Tuition Fee Refund Policy for Domestic Students** or **Tuition Fee Refund Policy for International Students** (as appropriate).

An international student applying to cancel their enrolment to transfer to a course at another registered provider and has not completed six months of their principal course of study at ICAT, should refer to the **International Student Transfer between Registered Providers Policy** which outlines the imposed conditions by which ICAT must abide in accordance with Standard 7 of the *National Code 2018*.

ICAT will only consider an application complete and eligible for assessment when all sections have been completed and the form signed ('completed application').

International students should note that, in accordance with Standard 13.2 of the National Code 2018, ICAT will only grant approval to withdraw (cancel enrolment) on the grounds of compassionate or compelling circumstances. As such, documentary evidence must be provided to support the compassionate or compelling circumstances as outlined in the completed application. Examples of acceptable documentary evidence is outlined under Step 2 of the Procedures.

ICAT will assess and respond to all completed applications within ten working days. A longer time may be required during peak admission and enrolment times, but the process will not exceed fifteen working days.

Where an 'Application to Withdraw or Cancel Enrolment' is successful, ICAT will issue an *Approval of Withdrawal Letter* to notify the decision in writing. It is the responsibility of the student to sign and return the letter acknowledging their acceptance of the withdrawal and the subsequent cancellation of their enrolment. For international students, ICAT will report the cancellation of enrolment to the Department of Education via PRISMS on receipt of their signed acceptance which may cancel their student visa.

Where an 'Application to Defer the Commencement of Study' is denied, ICAT will issue a *Refusal of Deferment Letter* outlining the reasons for refusal and their right to appeal within twenty working days. Students wishing to appeal the decision should refer to the college **Complaints & Appeals Policy**.

Where an 'Application to Withdraw or Cancel Enrolment' is denied, the student will be notified in writing of the reasons for refusal and their right to appeal within twenty working days. Students wishing to make an appeal should refer to the college **Complaints & Appeals Policies**. Where an appeal is made by an international student, ICAT will not report any changes to the Department of Education via PRISMS during this time.

b. Assessment of the Completed Application

Responsible: Office of the Registrar and/or Director of Education

After the check for completeness, the Office of the Registrar undertakes a review of the Completed Application against the assessment criteria as outlined in the **Deferral, Suspension or Cancellation of Enrolment Policy** and makes the decision to grant or deny the application for course credit. The Office of the Registrar may choose to refer the application to the Head of Program where they require faculty input to make the appropriate decision.

3. Advise assessment decision in writing

Responsible: Office of the Registrar

The Office of the Registrar will advise the student (or applicant) in writing of the college decision to grant or deny the request to defer, suspend or cancel enrolment within ten working days of the receipt of the completed application. Where an application is successful, ICAT will send the student the respective *Approval Letter* notifying the decision, and that the deferment, suspension or cancellation of their enrolment may affect an international student's visa and they should seek further information from the Department of Home Affairs before accepting the decision of ICAT to grant their request. The student must sign and return a copy of this letter authorising the change to their enrolment (and any subsequent conditions on their return to study).

Where an application is denied, the student will be notified in writing of the reasons for refusal and their right to appeal within twenty working days. A student's enrolment will be maintained for the duration of the internal appeals process. Where the appellant is an international student, ICAT will not report any changes to the Department of Education via PRISMS during the appeal period.

Students should refer to the college **Complaints & Appeals Policy** on how to lodge an appeal, and the **Misconduct Policy** for the eligible grounds for appeal and details on how the case will be heard by the Misconduct Appeals Committee. Where a student has admitted to committing or participating in an act of misconduct, an appeal can be made only on the ground of excessive penalty.

Where the student elects to appeal, their enrolment and access to college services will be maintained for the duration of the appeals process. However, if the appeal is unsuccessful, enrolment will be cancelled and access to all college services withdrawn at the end of the appeal process. ICAT will report the changes to enrolment for international students to the Department of Education via PRISMS within five working days of end of the appeal process in accordance with Standard 13.3 of the *National Code 2018*.

If successful in appeal, Steps 4a and 5 in the procedure to this policy will be implemented.
